

# Otto Wulf

Since our foundation in the year 1921 our customers value our experience, reliability and competence, with which we can also carry out complex or short-notice tasks and operations.

Thanks to our wide range of services, dedicated and qualified employees, high-performance and versatile equipment and the co-operation with well-known partners at home and abroad, we can solve practically any task to a high level of quality and cost-effectiveness.

## We offer you the following service portfolio:

- ▶ Harbour and deepsea towage
- ▶ Tugboat and pontoon chartering
- ▶ Sea transport of heavy goods
- ▶ Offshore wind projects
- ▶ Floating crane services
- ▶ Load test for cranes
- ▶ Salvage and diving operations
- ▶ Vessel assistance
- ▶ Escorting of vessels on the estuaries and through the Kiel Canal

## moving ahead to success
